Certificate number:	

Organic Product's Name and Brand Name

I attest that NOP certified products listed above are "Certified in compliance with the terms of the United-States-Canada Organic Equivalency Arrangement", including:

1. Agricultural products produced with the use of sodium nitrate (Chilean nitrate) shall not be sold or marketed as organic in Canada.
2. Agricultural products produced by hydroponic or aeroponic production methods shall not be sold or marketed as organic in Canada.
3. Agricultural products derived from animals (with the exception of ruminants) must be produced according to livestock stocking rates as set out in the most recent version of CAN/CGSB-32.310.
